The sustained exchange between the leadership of the Assembly of People's Power, the Council of Administration and the Municipal Party, among other directors and representatives of mass organizations with voters of the Free Algeria-La Victoria Popular Council, can be classified as fruitful.

Among the main concerns expressed by the voters of these districts are the schedules of public transport to the area, situations with bread and other flour products, irregularities with the water supply in the area of the Colony hill, where they reside about twenty families and the need to recover the playground in Algeria.

In general, the adequate confrontation with the

pandemic, to the point that no resident has contracted the virus; In the same way, the residents praised the stability of the products in the kiosks belonging to the currency-recovery stores, where basic products are sold, and their organization that has counteracted
