Miguel Díaz-Canel, first secretary of the Central Committee of the Communist Party of Cuba (CC PCC) and president of the Republic, chaired today in this city the exchange with the militancy that follows up on the agreements of the 8th Congress of that political organization.

In the ninth meeting of its kind --as part of the Secretariat's tour of the national territory-- Díaz-Canel called on the mass organizations, which act in the community, to act from that stage in the social transformations, a process in the that the memberships for Cuba participate and show that "we are continuity."

Zunilda García Garcés, member of the Central Committee of the PCC and first secretary in the special municipality, presented a summary on the concretion in situ of the ideas, concepts and guidelines of the aforementioned party appointment, based on the popular movement "Dare to be more pinero".

It is a transformative project - anchored in the country's Economic and Social Strategy and the Guidelines of the Economic-Social Policy of the Revolution - to carry out the Comprehensive Development Program, which will grant autonomy and sustainability to the territory, she said.

In support of this purpose, which reinforces the improvement of the People's Power, the Municipal Assembly approved in one of its ordinary sessions an ordinance for the materialization of the Local Development Strategy, said Liván Fuentes Álvarez, president of that governing body.

Adiel Morera Macías, mayor, recognized the weaknesses that in terms of cadre policy limit the effectiveness and efficiency of missions in the exercise of administration, which points to training as a priority in the system of work with managers of the sector of the economy.

Thanks to the creation of capacities for the management of local development (strategies, local public policies, programs and projects), in order to contribute to the improvement of skills in decision-makers in the government and the business system, the territory now has 56 programs for secure it, he meant.

He specified that in this special municipality progress is being made

in the process of computerization of society; in fixed spaces of radio and television, managers render an account of their administrative management to the population and now it is possible to guarantee five kilograms of animal protein per month to pregnant women in the territory.

"We are More" is a community project that responds to youth work within the popular movement "Dare to be more pinero", whose general objective is to strengthen the leading role played by youth throughout history in the social transformations of the country. affirmed Yander Zayas Pérez, first secretary of the Union of Young Communists in this island.

Roberto Morales Ojeda, member of the Political Bureau and Secretary for Organization and Politics of Cadres of the CC PCC, insisted on the need to evaluate the potentialities of young people, to give a transformative look to the internal life of the organization, whose meetings provide a solution to the problems of your universe.

As dynamic agents of the process, they also have the challenge of leadership in the virtual scenario and in the realization of local development, he specified.
