Request for technical documentation for the legalization of housing (the applicant does not have a property title).

In this case there are the houses for New Construction and the Expiry, the New Construction is a dwelling built from a building license for which it does not have a Title, whereas the Expiry are dwellings built before 1985 that do not have property.

New Construction

Documents to present:

- Construction License (copy).
- Habitable (copy).
- Land Resolution.
