Registration in the Consumer Registration Unit can be processed by any consumer, whether or not they are a component of the nucleus. Through this procedure, a consumer is registered in the notebook for food products.

- Documents to present for consumer registrations
- Identity card of the appearing party.
- Child's card updated by the mother's address.
- Notebook for Food Products.

In all cases of birth the child will be registered in the notebook where the mother is registered.

Registration of people from abroad.

- If it is a child born abroad of Cuban parents or of Cuban and foreigner, they will present the minor's card, to consider themselves a Cuban citizen.
- If it is a consumer of Cuban nationality and was sent abroad by an Organism, it will present an Identity Card updated by the discharge management.
- In case it has been sent by an Organism, it will present an Identity Card updated by the discharge address.
- Model 6 of Withdrawal from the Office where you left before leaving the country, if you have one.
- Notebook for food products of the nucleus where it will cause discharge.

Graduates of penitentiary centers, hospitals or asylums.

- Identity card of the appearing party.
- Identity card of the person who is going to register, once the address of the home where the registration is to take place has been updated.
- Document from the Hospital center, Asylum.
- Notebook for Food Products where it will cause discharge.
- Model 6 Withdrawal from the Office where it was withdrawn.

Family doctors and nurses.

- Identification card of the appearing party
- Identification card of the person who is going to register, once the address of the home where the registration is to take place has been updated.
- Document issued by the Municipal Directorate of Public Health, duly signed and coined.
- Stamp stamp for \$ 5.00 CUP.
- Model 6 Withdrawal from the Office where it was withdrawn.
