The rural community Mella Vaquero was the venue for the municipal act for the 68th anniversary of the assault on the Moncada and Carlos Manuel de Céspedes barracks on July 26, 1953.

The act for the 68th anniversary of the assault on the Moncada and Carlos Manuel de Céspedes barracks in this Special Municipality, became a platform to reaffirm the commitment of the pineros with the Homeland, the revolution and Cuban Socialism.

On the day, 27 new militants joined the political vanguard of the Communist Party of Cuba and the Union of Young Communists.

During the event, companies, agencies, organizations and self-employed workers were recognized for their contribution to the confrontation of COVID-19, especially the Public Health sector and the delegates of the rural community Julio Antonio Mella, highlighted in the contribution
