### **Financing to Own-account Workers (TCP)**

Financing is preferably requested at the Branch of the municipality of residence, according to identity document, although the possibility that the request may be made at the Branch closest to the place where the business is located can be assessed. (Hired workers are not objects of financing).

Those who are from the Holguín municipality in the closest branch of their residence, according to identity document.

#### **Why can they request financing?**

They can request it for working capital, their objective is for the acquisition of raw materials, materials, and other services. This can be paid with a term of 12 months according to the analysis of the credit committee and for investments that aim to modernize, repair and purchase equipment.

We must clarify that the request for financing must be on par with the activity of the TCP, for example: if a TCP is a landlord, it must request financing for this activity and not to repair a cafeteria.

#### **Legal documentation to present:**
